

ESCMID/ASM Conference on Drug Development to Meet the Challenge of Antimicrobial Resistance

Lisbon, Portugal
4 – 7 September 2018

CALL
FOR POSTERS

Dedicated Session for Companies to Exhibit their New Molecules

ESCMID-ASM 2018 wants to hear about your new molecule. A dedicated poster session will be scheduled to allow new compounds to be exhibited. Dedicated viewing time will enable discussion and interaction with delegates. Information on the following may be provided:

- Structure
- Structure-activity-response relationships
- Mechanism of action
- In vitro activity
- In vivo activity
- Safety and tolerability
- PK-PD
- Early and late phase clinical data

General Call for Posters

We invite you to submit an abstract on your latest data on: "Development of Drugs to Meet the Challenge for AMR". We will happily consider abstracts presented at previous meetings. Selected abstracts will be presented in poster sessions during the conference.

Abstract Submission: 1 March – 22 June 2018

Conference Secretariat: lisbon2018@escmid.org

Venue/Hotel: Intercontinental Lisbon
R. Castilho 149, 1099-024 Lisbon, Portugal
